LIFE

What is it? A gift of God!
A curse of Creator!
Not yet knowing
After a long time of life.
Every time I was thinking
Life was just like a knife.

Everything I was having of pleasure
But! Yet was searching for the happiness!
No one was there to take care.
Why You punished me with Loneliness!
Oh God! What was my Mistake!
Or your existence is Fake!

On one night
You proved you are there on earth
When you sent
The young dynamic youth!
Who just you send for me
No Words to thanks Thee!

Oh! My love!
My beautiful love!
Which you send after a long Time
Looking towards my love, it's Fine!
The Great gift of the life! Oh! Creator of Earth!
You gave me in nature of my Fair youth!
