## **OBC Cell Nutan Mahavidyalaya Selu**

**(2020-2021)**

**Introduction:** Nutan Mahavidyalaya Selu has the OBC (Other Backward Classes) Cell is a dedicated department or committee established to cater to the needs and concerns of students belonging to Other Backward Classes. The OBC category consists of social groups that are considered socially and educationally disadvantaged and are eligible for affirmative action measures to ensure their equal opportunities in education. The OBC Cell serves as a platform to address the specific requirements of OBC students and promote their welfare, inclusivity, and academic success within the college. It aims to create an environment that supports their educational pursuits, fosters their overall development, and ensures equal opportunities for their advancement.

### **The key objectives of the OBC Cell in Nutan Mahavidyalaya Selu:**

- i. Equal Opportunity:** The OBC Cell strives to ensure equal opportunities for OBC students in higher education. It works towards their fair representation in admissions, scholarships, and other academic activities, and monitors the implementation of reservation policies.
- ii. Guidance and Support:** The OBC Cell provides guidance, counseling, and support services to OBC students, assisting them in overcoming educational challenges, making informed decisions about their academic and career paths, and enhancing their overall academic performance.
- iii. Socio-Economic Upliftment:** The OBC Cell addresses the socio-economic barriers faced by OBC students by facilitating access to financial aid, scholarships, and other support services. It works to alleviate economic disparities and promote their educational and social development.
- iv. Advocacy and Representation:** The OBC Cell serves as a platform for OBC students to voice their concerns, grievances, and aspirations. It advocates for their rights, interests, and overall well-being within the college, ensuring their representation in decision-making processes and policy formulations.
- v. Awareness and Sensitization:** The OBC Cell organizes awareness programs, seminars, workshops, and cultural events to promote understanding, appreciation, and sensitivity towards the diverse backgrounds and needs of OBC

students. It fosters an inclusive environment that respects and values their cultural identity.

- vi. **Collaboration and Networking:** The OBC Cell collaborates with external agencies, NGOs, and government departments to establish partnerships, programs, and initiatives that support the educational and social development of OBC students. It facilitates networking opportunities for their growth and career advancement.

Overall, the OBC Cell in Nutan Mahavidyalaya Selu plays a crucial role in promoting the welfare, inclusivity, and academic success of OBC students. By addressing their specific needs, ensuring equal opportunities, and providing necessary support services, the cell contributes to creating an empowering educational environment that enables OBC students to excel academically and become leaders in their respective fields.

#### Formation of the Cell:

Sr. No.	Name	Designation

representation in admissions, scholarships, and other academic activities, ensuring that reservation policies are effectively implemented. The cell provides academic support services, including counseling, mentoring, and guidance, to assist OBC students in overcoming educational challenges and making informed decisions about their academic and career paths. The OBC Cell also addresses the socio-economic barriers faced by OBC students by facilitating access to financial aid, scholarships, and other support services. It aims to mitigate economic disparities and promote their educational and social development. By organizing awareness programs, seminars, and cultural events, the cell fosters a sense of inclusivity and sensitivity towards the diverse backgrounds and needs of OBC students, creating an environment that respects and values their cultural identity. Advocacy and representation are integral aspects of the OBC Cell's work. It serves as a platform for OBC students to voice their concerns, grievances, and aspirations, ensuring their representation in decision-making processes and policy formulations. Through collaboration with external agencies, NGOs, and government departments, the cell establishes partnerships and programs that support the educational and social development of OBC students, providing them with networking opportunities and access to various resources.

By monitoring the progress and performance of OBC students and evaluating the effectiveness of its initiatives, the OBC Cell continually strives to enhance support services and ensure the optimal functioning of the cell. Through its efforts, the cell contributes to creating an empowering educational environment that enables OBC students to excel academically, personally, and professionally. In conclusion, the OBC Cell in Nutan Mahavidyalaya Selu plays a crucial role in promoting the welfare, inclusivity, and academic success of students belonging to Other Backward Classes. It aims to create an equitable educational environment where OBC students can thrive and make significant contributions to society.
