SR. No.	Name	sign	Designation
14	Nikita Bansode		student representative
15	Dr. V. K. Kothekar		Educationalist
16	Mr. Bharat Nana Borade		External Expert

Following points were discussed in the meeting:

~~This~~ This meeting is conducted after long time on offline mode due to covid-19. The President of the Parent Institution Dr. S.M. Loya and management representative of the IQAC committee congratulated to all ~~who~~ for the survival of and saved themselves from covid-19.

Dr. Kothekar as Educationalist suggested to work toward NEP-2020 and prepare accordingly. If trainings are available on it asked to send the staff for it.

Director IQAC took suggestions from all IQAC members for the preparation of NAAC cycle four because the validity of Score Card for NAAC cycle-3 is upto ~~2~~ March 2024.

There are continuous changes in online process of NAAC accreditation process and due to it data collection is required to prepare atleast one year before prior.

Due to covid-19, previous online meetings were conducted therefore the AQAR of 2018-19, 19-20, 20-21 were discussed on online mode. So, offline printed AQAR are shown to the ~~all~~ all committee members. Due to covid-19 certificate courses were not continued, Mr. Jai Prakash Bihani and Mr. Nandkishor

Baheti suggested to continue existing certificate courses and if possible introduce new skill-based certificate course for students' overall development.

Mr. Bharat Nana Borade suggested to take more efforts for upcoming batch of graduation and post-graduation in teaching-learning process as they were less habitual of sitting in the face-to-face classroom due to online mode of teaching-learning process.

After completion of discussion on above all meeting points, Dr. Kanthale proposed vote of thanks. With the permission of President, the meeting is over.

Action Taken Report:

As per the suggestion given in the previous meeting -

- I. The feedback from all ~~stake~~ stakeholders is collected and remedial measures are taken after analysis of feedback.
- II. The college has introduced all required remedies to fight against covid-19 for the academic year 2020-21 and 2021-22 including installation of sanitizing machine, availability of Thermo-metre to check temperature of all stakeholder entering in the college campus.
- III. The workshops are conducted on the awareness of vaccination for all stakeholders.
- IV. The vaccination camps are organized for all stake-holders and nearby locality to prevent them from suffering of covid-19.
- V. New upgraded ICT tools are made available

for the smooth running of online Teaching-learning process.

VI. Training session are conducted for teaching staff and students (on zoom, google meet etc. platform) to continue online teaching-learning process.

VII. MOUs are signed with Secure-Era (the cyber security training center, Pune) to prevent from cyber attack.

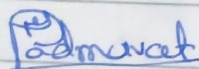

VIII. MOUs are signed with Engineering college to take support for the development of ICT skills.

IX. E-Notes, E-contents, youtube channels are prepared by faculties for online teaching-learning process.

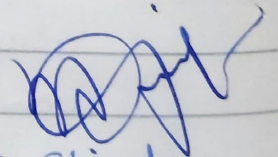

X. IQAC department conducted FDP on "Augmented and virtual Reality" for staff to make effective online teaching-learning process.

XI. AQAR of 2020-21 is submitted to NAAC office in given format (online mode and pattern)

XII. Shop-act licence process is completed for Incubation center.
