IQAC Meeting Summary (Meeting) **Academic Year 2020-21**

The NAAC Audit cum Review meeting was conducted on 20th May, 2020 at 1:00 pm, which was chaired by Director Dr. Sharad S. Kulkarni, Dr. S. M. Loya and Dr. Nirmala S. Padmavat. All the IQAC members and the NAAC criteria in Coordinators were present. The meeting was conducted online as the pandemic Covid-19 created lots of trouble to the whole world. The meeting was started with the brief of previous meeting is completed by the chairperson of IQAC. The meeting was held with online mode due to Pandemic COVID-

19. The review of AQAR and further development is given by all concern criteria. The following changes were discussed and suggested to modify in the NAAC AQA R during the meeting-

1. In part A, it was suggested by Dr. Padmavat madam to take review of online preparation as covid-19 arose and lockdown is there.
2. The point No. 9 of Part A, that is composition of IQAC, was suggested to be modified as the academic year is changed and change the sequence as well as designation of IQAC members and few things need to be modified.
3. The need of preparing new pattern and method of online lectures should be prepared soon by concern subject teachers as there will be online mode for the academic year 2020-21 for teaching-learning process due to lockdown and Covid-19.
4. In Part B, 1.1.1 it was suggested to include that the syllabus is designed and set by Syllabus designing committee of Affiliating University and the

same is being taught accordingly in all affiliated colleges.

5. Online declaration of future planning of teaching-learning process with an office order Mentor to Mentee details for the smooth running of course and life both in the pandemic situation.
6. There is need of increasing courses like soft skill development, Remedial coaching classes, Personnel counseling, or any bridge course to enhance student capacity course should be minimum 30hrs but due to covid-19, regular teaching is becoming hard so gradually these courses will be added after the situation will be normalized.
7. Sport department should think about the programs and events, they can conduct on online mode and make students aware about physical fitness.
8. Specific focus should be given to Yoga, Meditation and Fitness for the development of immunity which will help to fight against covid-19.
