PRINCIPAL'S ADDRESS

Hello,

It's my pleasure to welcome you to the college which has a magnificent history of educational excellence and more importantly the pioneering educational institute in the region. Founded by the local freedom fighters inspired by the legendary Freedom Struggle leaders like Swami Ramanand Teerth and run by mostly the teachers, the college takes on itself the responsibility to give the best to the students so that they can equip themselves to serve the nation in whatever field they choose to work. Apart from the tried and tested work culture and ethics, the college has an able and dedicated galaxy of teachers, a rich library, a huge playground, the green and well-

kept campus and varied curricular and extracurricular programmes that run round the year.
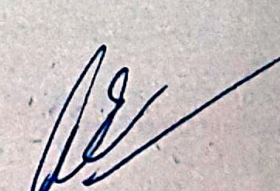

Last a few years were the horrendous time the world went through on account of the Covid pandemic. Everything in public life was stalled and the world came to a standstill. The educational sphere has suffered a major setback and the student community was the direct sufferer. The fear of death loomed large over all of us. Fortunately, things seem to be changing for the good and the life around is returning to normalcy. Hope everything will be fine in this academic year and the years to come as well. Still we have to be on guard and follow the Covid related rules and regulations devised by various authorities and the government time to time.

I hope you will find the best in the field here on the Nutan campus and would make the most of it in shaping your careers and equipping yourself to be able to serve our beloved nation and the humanity.

Best of luck!
