SEC – Basic Information and Preparation Skills for Competitive Examination - I
Credits-02
Semester - III
Marks-50
Periods-45

Course Rational:

This is an introductory paper for the basic information and preparation skill for competitive examinations. It tries to explain the evolution and uses of competitive examinations. Civil services are also known as 'administrative services'. In modern times, the responsibility of administrative officers in civil services is being increased today to create a Welfare State. While decision making and policy formation, the suggestions of these civil servants has played a vital role and they have also implements these policies and strategies in the Welfare of the State. They make some rules and regulations to implement legislature laws known as delegated legislation. They have the rights to make these rules and regulations which helps to run administration smoothly, ultimately, the aim of administrative service is getting fulfilled. There fore civil services posts are filled by competitive examination, the exams syllabus has been taken in the curriculum where competitive exams, selection, public service commission and civil services have incorporated adequately and it is useful to every graduate to develop his/her new Skills. Acquisition of a knowledge is a matter of a vast study and voracious reading. This course will help to study the various aspects of competitive examinations in present situation.

Course Objectives :

1. To eradicate fear of civil services examination.
2. To motivate and prepare for civil services examination and other competitive exams.
3. To help the students to know the basic ideas of civil services recruitment.
4. To study the methods and functions of public service commission.
5. To study the basic responsibility of administrative officers in Indian Democracy.

Course Utility:

1. It will help students to eradicate fear of competitive examinations.
2. Pupils will develop skills to pass the competitive examination.
3. Students will know that acquisition of knowledge is a matter of vast study and voracious reading.
4. Students will understand the difference and co-ordination between legislature and bureaucracy.

Students will known that while they prepare for such competitive examinations, they need to explore their general knowledge and awareness by which they can survive in such kinds of examination.

SEC – Basic Information and Preparation Skills for Competitive
Examination - II

Credits-02

Periods-45

Marks-50

Course Rational :

This is an introductory paper for the basic information and preparation skill for competitive examinations. It tries to explain the evolution and uses of competitive examinations. Civil services are also known as 'administrative services'. In modern times, the responsibility of administrative officers in civil services is being increased today to create a Welfare State. While decision making and policy formation, the suggestions of these civil servants has played a vital role and they have also implements these policies and strategies in the Welfare of the State. They make some rules and regulations to implement legislature laws known as delegated legislation. They have the rights to make these rules and regulations which helps to run administration smoothly, ultimately, the aim of administrative service is getting fulfilled. There fore civil services posts are filled by competitive examination, the exams syllabus has been taken in the curriculum where competitive exams, selection, public service commission and civil services have incorporated adequately and it is useful to every graduate to develop his/her new Skills. Acquisition of a knowledge is a matter of a vast study and voracious reading. This course will help to study the various aspects of competitive examinations in present situation.

Course Objectives :

1. To eradicate fear of civil services examination.
2. To motivate and prepare for civil services examination and other competitive exams.
3. To help the students to know the basic ideas of civil services recruitment.
4. To study the methods and functions of public service commission.
5. To study the basic responsibility of administrative officers in Indian Democracy.

Course Utility:

1. It will help students to eradicate fear of competitive examinations.
2. Pupils will develop skills to pass the competitive examination.
3. Students will know that acquisition of knowledge is a matter of vast study and voracious reading.
4. Students will understand the difference and co-ordination between legislature and bureaucracy.

Students will known that while they prepare for such competitive examinations, they need to explore their general knowledge and awareness by which they can survive in such kinds of examination.
