

Activity Report: Tree Plantation

Introduction: On 20th August 2019, the Volunteers of NSS Department at Nutan College, Selu, organized a Tree Plantation Drive as part of our ongoing Green Campus Campaign. The initiative aimed to enhance the environmental sustainability of our campus and foster a culture of environmental stewardship among students and faculty.

Details of Activity:

Date: 20/08/2019

Organized by: Volunteers of NSS Department, Nutan College, Selu

Objective: Green Campus Campaign

Location: Nutan College Selu Campus

Activities: The event commenced with an inaugural ceremony, where the significance of tree plantation and the importance of a green campus were emphasized.

A diverse range of saplings, including native species, were procured for plantation.

Volunteers, comprising students and faculty members, actively participated in planting trees across designated areas within the campus premises.

Proper techniques for planting and nurturing trees were demonstrated and followed to ensure the saplings' survival and growth.

Alongside the plantation drive, informative sessions were conducted to educate participants about the ecological benefits of trees and the role they play in mitigating climate change.

The event concluded with a pledge by all participants to continue nurturing the planted trees and to advocate for environmental conservation in their respective spheres.

Outcome: A total of [insert number] trees were planted during the drive, contributing significantly to the greening of our campus.

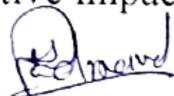

The event succeeded in raising awareness about environmental conservation and instilling a sense of responsibility towards maintaining a green campus among the college community.

Participants expressed enthusiasm and commitment towards continuing similar initiatives in the future.

Acknowledgment:

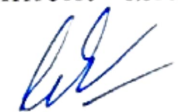

We extend our gratitude to all the volunteers, faculty members, and sponsors who contributed to the success of the Tree Plantation Drive. Special thanks to [insert names] for their unwavering support and guidance.

The Tree Plantation Drive organized by the Volunteers of NSS Department at Nutan College, Selu, served as a commendable step towards fostering environmental sustainability and promoting a greener future. The initiative reflects our collective commitment to nurturing the environment and creating a positive impact on our campus and beyond.
