

Activity Report: College Campus Cleaning Activity

Introduction: On February 23, 2021, volunteers from the National Service Scheme (NSS) Department of Nutan College, Selu, participated in a cleaning activity to enhance the cleanliness and hygiene of the college campus. This initiative aimed to create a cleaner and more appealing environment for students, faculty, and visitors while promoting a sense of responsibility and teamwork among the volunteers.

Details of Activity:

Date: 23/02/2021

Location: Nutan College, Selu

Organized by: NSS Department, Nutan College, Selu

Objective: The primary objective of the cleaning activity was to improve the overall cleanliness of the college campus by removing litter and debris. Additionally, the activity aimed to raise awareness among students about the importance of maintaining a clean environment and encourage a culture of community service.

Activities and Procedures: The cleaning activity was organized in various sections of the college campus, including common areas, walkways, gardens, and open spaces. The following tasks were performed during the cleaning activity:

- **Preparation and Equipment:** Volunteers gathered at a designated location and were provided with cleaning equipment such as gloves, brooms, garbage bags, and other necessary tools.
- **Cleaning and Waste Collection:** The volunteers divided into teams, each responsible for cleaning a specific area of the campus. They collected litter, swept pathways, and ensured proper waste disposal. The collected garbage was sorted into recyclable and non-recyclable waste, promoting environmental responsibility.

- **Gardening and Landscaping:** In addition to cleaning, some volunteers focused on light gardening tasks, such as trimming plants, removing weeds, and maintaining the campus's green areas.

Participants:The cleaning activity involved a large group of NSS volunteers, including students from various departments. The participation rate was high, indicating a strong commitment among students to contribute to a cleaner campus environment.

Outcome and Impact:The cleaning activity had a positive impact on the college campus, significantly improving its cleanliness and aesthetics. The event fostered teamwork and a sense of community among the volunteers. It also raised awareness about the importance of environmental stewardship and encouraged students to take responsibility for their surroundings.

The cleaning activity organized by the NSS Department at Nutan College, Selu, on February 23, 2021, was a successful initiative that demonstrated the benefits of community service and environmental responsibility. The event not only improved the cleanliness of the college campus but also promoted a culture of teamwork and collective action. Nutan College plans to continue hosting similar activities to maintain a clean and welcoming campus environment.
